SUBJECT: COMPLAINT FOR 438.318 BITCOINS STOLEN (WORTH INR19 CRORES-Approx.) FROM OUR COMPANY'S BITCOIN WALLET

Dear Sir/Maam

We M/S Secure Bitcoin Traders Pvt Ltd have our registered office at 801-A, Aggarwal corporate heights, A-7, Netaji Subhash Place, Pitampura, Delhi – 110034, under brand name COINSECURE.

We are running a Bitcoin Exchange platform where users can Buy & Sell Bitcoins using INR.

As a bitcoin exchange, we receive deposits in both INR and Bitcoin from our customers who trade on our platform.

The user funds are securely kept in our bitcoin wallet, who's private keys are kept with Dr. Amitabh Saxena, CSO and Mr Mohit Kalra, CEO at Coinsecure.in

On 9th April 2018, we were informed by our CSO, Dr. Amitabh Saxena, that 438.318 bitcoins, (worth INR 19 Crores- Approx.) were stolen from our company's bitcoin wallet due to some attack.

As the private keys are kept with Dr. Amitabh Saxena, we feel that he is making a false story to divert our attention and he might have a role to play in this entire incident.

The incident reported by Dr. Amitabh Saxena does not seem convincing to us. Dr. Amitabh Saxena also has an Indian Passport and he might fly out of the country soon, therefore, his passport should be seized so he can not fly out of the country.

Therefore, we request you to kindly investigate into the matter as soon as possible.

Thanking you
Yours sincerely
